Peace of mind with our

**Rent & Legal
Protection Service**

What is our Rent & Legal Protection service?

Our Rent & Legal Protection (RLP) service is designed to remove the worry, stress and hassle out of letting a property

Rent & Legal Protection service does exactly what it says on the tin, it protects the income (rent) of a property that has been let to a tenant.

Sometimes things can go wrong, even when you've taken measures to protect yourself. Rent arrears can be disastrous for a landlord, who might rely on this income to pay a mortgage and other expenses.

With our Rent & Legal Protection service, landlords will be protected by insurance designed to protect the income they expect. If they need legal representation to recover it, our RLP service can help.

For a monthly charge, starting from £40.80 per month inclusive of VAT we'll ask our insurer to note your interest on our insurance policy. This means that we will be able to provide you with the protections listed on page 3 of this brochure.

After the tenancy is signed you can claim immediately for missed payments, even in the first month, without impacting future claims.

"Julian Wadden's rent protection service is a must for any landlord. It's just peace of mind, simple as that."

Our services

Everything you need to protect your investment

Rent protection and recovery

We'll cover the costs and expenses of legal proceedings. Including the cost of appeals and also provide legal representation from one of our trusted partners. We'll appoint a legal representative for the duration of the proceedings and support throughout the process.

We'll have your interest noted on our master insurance policy and make claims for rent arrears, payable until vacant possession is obtained, irrespective of how long the claim takes, providing cover up to £100,000 for arrears and legal expenses combined. After vacant possession has been obtained, we will cover up to 90% of the rent until the property is re-let through Julian Wadden for a maximum of six weeks. We'll also cover the costs and expenses of recovering rent from a tenant or ex-tenant, if the rent has been overdue for at least one month.

If a tenant disputes a valid Section 13 rent increase, the policy will cover the difference between the previous and new rental amounts for up to six months, or until a First-tier Tribunal decision. Please note that exclusive to Julian Wadden, if the tribunal rules that the rent cannot be increased, landlords will not have to repay the increased amount.

Standalone legal expense cover

Under our Master Policy we can claim for a landlord's legal expense cover to evict a tenant, should the tenant breach any part of their tenancy agreement that allows grounds for possession.

*Terms and Conditions Apply

Legal expenses for property damage cover

Should the property sustain physical damage of more than £1,000, caused by the tenant during the tenancy, we'll claim under our policy to cover your legal expenses for pursuing a civil dispute. We also offer up to £1,000 of damages where damage exceeds the deposit held.

Legal expense cover

Our Master Policy can cover the costs and expenses of legal proceedings, including the cost of appeals and also provide legal representation from one of our trusted partners. We'll appoint a legal representative for the duration of the proceeding and provide support throughout the process.

Alternative accommodation

Costs will be paid for up to 30 days in the event you want to move back into your property but are unable to.

To support landlords during extended repossession proceedings, the policy also covers up to £175 per night for accommodation and up to £15 per day for storage for a period of up to 3 months.

Contract dispute cover

Our Master Policy can cover against costs and expenses relating to the dispute of a contract entered into for the buying or hiring of any goods and services relating to the landlord's property, providing the amount in dispute is over £100 and the agreement was entered into during the period the service was in place.

Eviction of tenants and squatters

If there are squatters or ex-tenants in the property without the landlord's consent, our cover will assist with the costs of eviction.

FAQs on rent protection

What are the referencing criteria for the service?

If the prospective tenant passes our robust reference criteria then you will qualify for our comprehensive RLP service. However if, for any reason, the tenants should not pass our criteria, we will talk to you about proceeding with the let without RLP in place.

How do I serve notice on my tenants?

In the event of a claim, we will arrange for any notices required to be served. Leave it to us and enjoy the peace of mind.

Can I have RLP for my existing tenants?

Yes, you can. However, you will only benefit from the service after 60 days, unless there was a similar protection service in place. After that initial 60 day period, you will be protected from any issues that may occur going forward. Although it must be noted that this is subject to the tenant not accruing any rent arrears, which has not been paid in full by the tenant before the 60 day time scale, or the service will be cancelled on day 61.

What kind of tenancies are covered?

Rental values up to £10,000 per calendar month, subject to terms and conditions. The initial tenancy agreement must be either an Assured Shorthold tenancy or a Company Let.

How long does RLP cover last?

The service is in place for a 12 month period which we will renew annually, unless we are instructed to cancel the service.

How will this show on my statements?

It will show as a separate item on your statement as Rent & Legal Protection (RLP).
